

## The School at a Glance

The Varanasi Vishwanath International Public School established in the year 2018 endeavors to 'make a difference to your child's life'. With rapid changes in lifestyles among today's Indians, it is important to strike a balance between age-old traditions and modern day outlook. The School endeavors to create equilibrium by adopting the ancient technique of Gurukul education with a scientific edge. It aspires to produce citizens who are abreast with the changing times, and yet rooted in their value system.

The school is a dream of Management who felt the need to bridge the gap between western techniques of education and Indian value system, to form the 'True Indian School'. The VVIP School is co-educational, English medium and residential in nature, with classes I to VII affiliated to the state board

## Objectives & Philosophy

The main objective of the School is to foster values of life in the child's training programme at all levels, ensuring the promotion of rich Indian values. The School strives to be known for its excellence in teaching by providing students with highest quality instruction, library and lab resources required for comprehensive learning and bringing out the hidden talents lying unexplored in the students.

It also aims at channelizing the potential of the students helping them to realize their capabilities by presenting numerous opportunities in various fields. The School recognizes quest for knowledge, enlightenment and truth as the highest goals of life.

All efforts are made to have the right mix of academics and co-curricular activities, for the development of a well balanced personality. A comprehensive training package has been created to provide a thrust to the student's physical, cognitive, emotional, spiritual and moral growth and development

## Vision & Mission

### Our Mission

To impart world-class education with a balance of traditional values and modern attitude by offering best learning aids and contemporary techniques for the all-round development of a child... physical, emotional, psychological and spiritual.

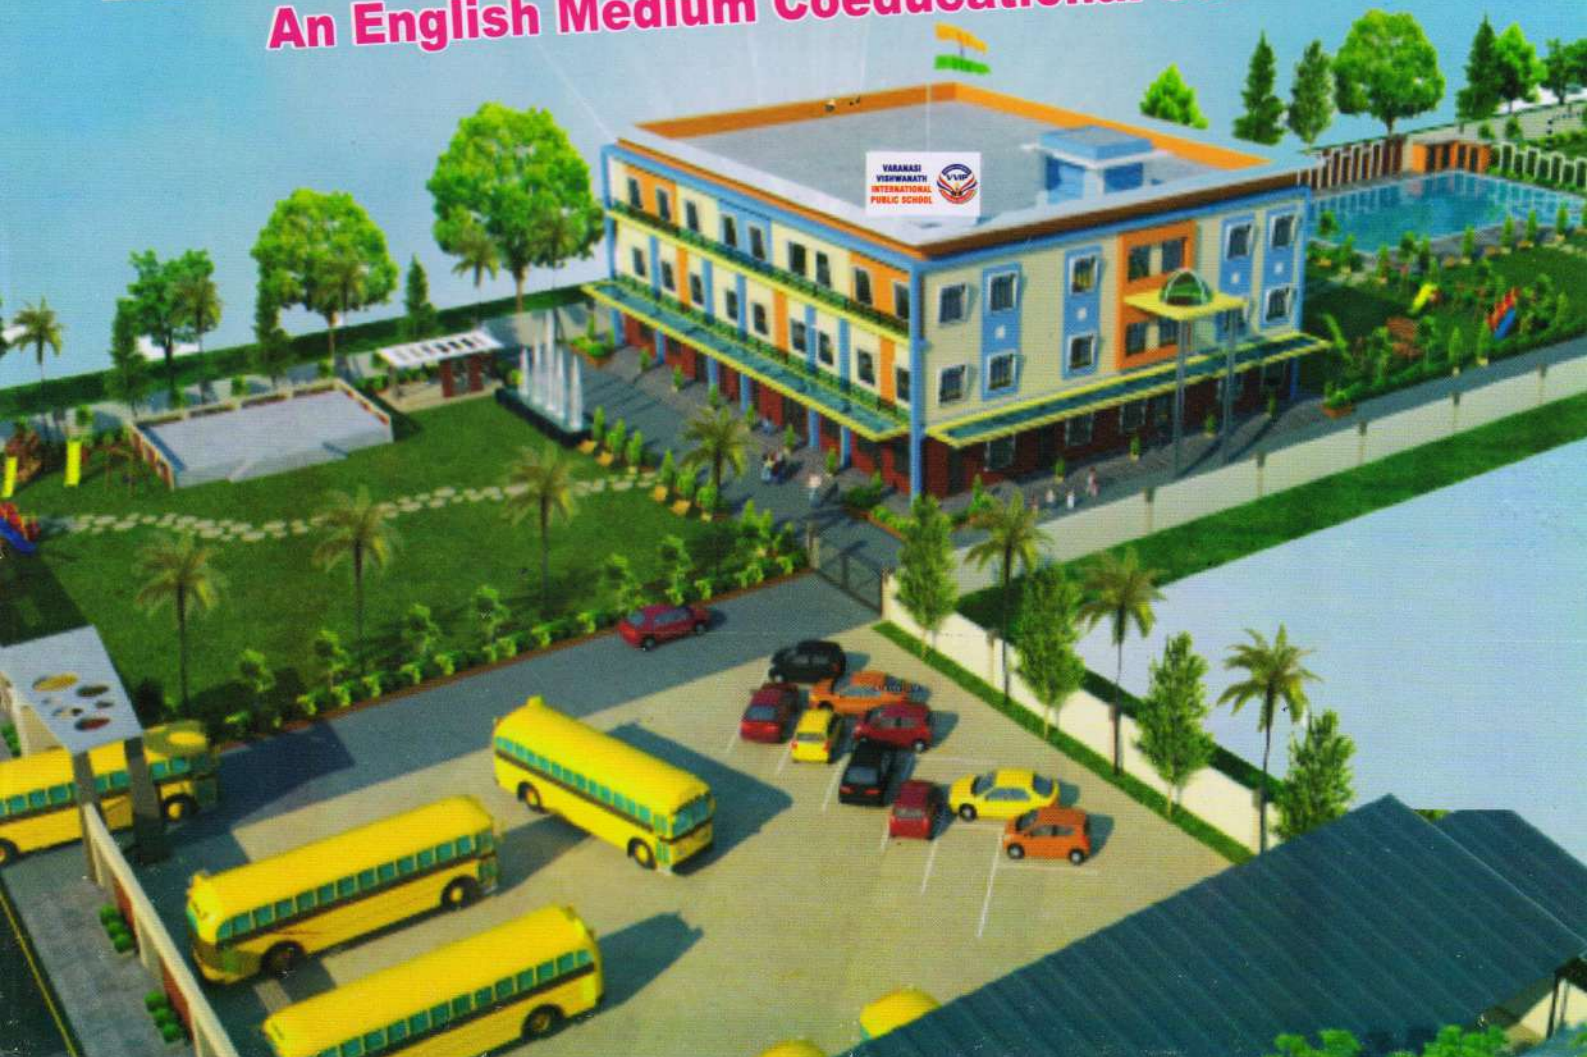

### Our Vision

Varanasi Vishwanath International Public School envisions to make every child a responsible citizen of tomorrow and a better human being with a spirit of enquiry by offering a stimulating learning environment which brings out the best in every child.

**An English Medium Coeducational School**

## The Campus

Spread over 3 acres, it provides undisturbed environment for the children to focus on their learning and extra-curricular activities. The Campus has been designed by one of the leading architects of India, who has taken care to create space that allows free movement, adequate ventilation and lighting which facilitates creatively.

VVIP School is located 15kms from the IIT, Kanpur at , NH 91, Kanpur-Delhi Road, Shiv Shakti Nagar, Chaubepur, Kanpur away from the hustle and bustle of the city in serene environment. The facilities in the campus include a Play Grounds, Gymnasium, Tennis & Basket Ball Courts, Library, Computer Lab, Science Labs, Language Lab, Math Lab, Medical and Transport etc. The School follows NCERT curriculum and offers day boarding facilities.

## SPORTS FACILITY

Sports : Our students are exposed to a variety of games like cricket, hockey, taekwondo, badminton, table tennis and basketball as well as several indoor games.

## LIBRARY FACILITY

Library is well equipped and upgraded with over 10,000 books to satisfy our student's curiosity and make them ardent readers.

## TRANSPORT

We have our own fleet of modern buses, which make the journey to and from school very comfortable. Teachers escort our students to ensure their safety and comfort.

## OTHER FACILITIES

Music Room with a variety of instruments trains the students in vocal and instrumental music. Dance Room is the place where our students learn classical as well as contemporary dance. The performance outputs of this room are a special attraction in our school functions. Art Room has an ambience, which is motivation enough for the students to express their thoughts by portraying their imagination

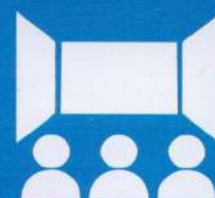

## R.O. PLANT

Our Reverse Osmosis water treatment plant ensures that our children get pure drinking water and do not fall prey to water borne diseases

## AUDITORIUM

We have an aesthetically planned huge multi-purpose auditorium for recreational activities. It has a seating capacity of 2000 people and is equipped with state of the art sound and light effects. This place is the stepping-stone from which our students make their foray into the world of performing arts.

## TENNIS EXPRESS

We launched the Mini Tennis Express to provide our students with an opportunity to learn Tennis. Expert coaches having perceptive insight into the game train our students. We are committed to identify and nurture the potential stars of Tennis.
